

Canmex Minerals Corporation announces appointment of Mr. Lukas H. Lundin

[Business Wire](#), [Sept 24, 1996](#)

VANCOUVER, British Columbia--(BUSINESS WIRE)--Sept. 24, 1996-- CANMEX MINERALS CORP. (VSE:CMX) CANMEX MINERALS CORPORATION (the "Company") announces the appointment of Mr. Lukas H. Lundin as interim President of the Company, effective immediately. Mr. Lundin replaces Mr. Lawrence Roulston who has resigned as President. Mr. Roulston will continue to serve as a director of the Company.

The Company also announces that Michael Sawlan, Ph.D. has been appointed manager of the El Limon Gold Project, a volcanic hosted gold project in Sinaloa, Mexico. Dr. Sawlan is considered an authority on the volcanic evolution of the Gulf of California region in Mexico and brings over 20 years experience working in volcanic settings with particular expertise in volcanic hosted gold deposits.

The Company intends to commence a substantial drilling program in the fourth quarter of this year on the Boleo concessions. Canmex Minerals Corporation holds 385 square kilometres of highly prospective ground adjacent to that of International Curator. Recent drilling has supported the potential for the property to host significant copper/cobalt deposits on the scale and grade of the historical mining in the area and/or the International Curator resource estimates.

ON BEHALF OF THE BOARD

Lukas H. Lundin President
