## Tawakal Money Express announce building projects to house upcoming Tawakal Global Bank in Somalia

Tawakal Money Express (Tawakal) is elated to announce to the public that we are in the process of establishing Tawakal Global Bank in Somalia, and to this end, we have began working on a number of building projects throughout Somalia. These buildings will house numerous businesses as well as Tawakal Global Bank and financial services centres.

Among the projects that are well under way - Tawakal Plaza Mogadishu, Tawakal Plaza Garowe, and Tawakal Plaza Galdogob with other similar projects scheduled in other main cities within Somalia in the near future.

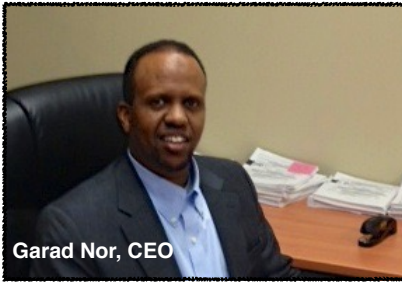

Tawakal Plaza Mogadishu is a seven story building consisting of:

- Tawakal Global Bank - Customer and financial services centre in Mogadishu (Ground and M floors)
- One of the largest supermarkets in Mogadishu with an area of 338 square meters.
- A hotel that is high standard and well equipped with all the latest services - forty six rooms ranging from single rooms to VIP suits.
- Conference and event halls. As well as a high class restaurant and a coffee shop.

Tawakal is concurrently building 'Tawakal Plaza Garowe' and it is a four story building consisting of:

- Tawakal Global Bank - Customer service and financial services centre in Garowe (Ground floor)
- Offices and multi-purpose rooms.
- A high quality shopping mall on an entire floor.

If you would like more information about this press release, or to schedule an interview with Mr Garad Nor please call our PR dept. at: [info@tawakal.ae](mailto:info@tawakal.ae)

Tawakal Plaza, Garowe.

Similarly, a third building is underway in Galdogob - 'Tawakal Plaza Galdogob' comprising a four story building consisting of:

- Tawakal Global Bank - Customer and financial services centre in Galdogob (Ground floor).
- A hotel that is high standard and well equipped with all the latest services - Elegant rooms ranging from single rooms to VIP suits (Second and Third Floors).
- Conference and event halls (Fourth Floor).
- A high class restaurant and a coffee shop (Ground Floor).

Tawakal has Offices and agents in more than 50 countries. Tawakal invests in the latest technology to provide exceptional services to its customers world-wide, and it continues to staunchly deliver on its Somalia and global obligations.

These exciting projects are scheduled to complete by the end of 2015, this in turn will have huge benefits for the community in providing employment opportunities, and a wide range of quality services namely - financial services, catering and consumer products as well as hospitality.

We are extremely delighted for the progress we made and services we continue to render to the Somali Community since 2003. We are relentlessly focused on pioneering better ways of enhancing the quality of service delivery for our customers and communities we serve.
